FROM:

George L. Cary, Legislative Counsel

SUBJECT:

Meetings with Congressional Staffers

I think it would be useful and appropriate for you to meet the Staff Directors of the House and Senate Select Committees on Intelligence (Bill Miller, Earl Eisenhower; you probably already know Tom Latimer), in addition to those who are concentrating on intelligence collection and production such as Anne Karalekas. In the latter category, I would include Hal Ford, Stan Taylor and John Elliff. I would also suggest that you meet Ralph Preston and/or Chuck Snodgrass of the House Appropriations Committee and renew acquaintances with Guy McConnell on the Senate side.
